SIR:

A Notice of Allowance for the above-referenced application was mailed on December 29, 2003. A copy of the form PTO-1449 that was attached therewith indicated that a number of references were not considered. submitted to and/or cited by the Patent and Trademark Office in these prior applications. Hence, in accordance with 37 C.F.R. §§ 1.56 and 1.97-1.98, Applicants did not resubmit these references in the present application. However, as a courtesy to the Examiner, Applicants are now resubmitting the crossed-out references to be kept in the file. Furthermore, Applicants believe that no fee or statement is needed for resubmitting these references since Applicants were not required to submit copies.

Respectfully submitted,
